My Friend Mr
Weisberg,

This small GIFT, is a Token of my appreciation For answering my (voluminous Questions) about The JFK assassination. I Thank You very much For your Taking The time To Do so! And, Im In The process of Reading my copy of your Great book Post Mortem! Its Takes me a Long Time To Read, as Family responsibilities, of course Are Time Consuming.

I wish You best of health, and continuing Success of your certainly Great books in which You've written with Life Long devotion! I often wonder myself what situation The world might be In Should JFK have Lived, No Viet-Nam To Speak of, etc! Sadly, we'll never know! Those who Took it upon Themselves, will surely Find Their actions Forever

Un-Rewarded, In The Killing Of This President; There was no Good To Come From It That I could ever See. But, Its After Shock Is Still felt by many, Not Something To Quickly pass, even a hundred years down The Road! Thanks again For your help, Correspondence, and Kindness!

In Friendship,

Karl D. Salisbury

PS - note The "Phillips Emblem; how it has Fond memories!
